INSURANCE MAN IS BACK IN JOB

Sanders Suffered 15 Years And Had To Quit Work—Tanlac RESTORES HIM

"Honestly, Tanlac has built me up so in the past few weeks that my friends hardly recognize me," said C. J. Sanders, 500 Cristler Street, Dallas, Tex., local agent of the Bankers' International Life Insurance Co., of Denver.

"I have suffered from catarrh of the stomach for fifteen years," he continued "and got so bad that I had to give up my work. I couldn't digest anything and suffered so much pain that for months all I could eat was a little rice. Gas on my stomach made me miserable and I was deadfully nervous, phlegm was constantly dropping down my throat and I could feel a hard lump in my stomach all the time."

"Tanlac has done more for me than anything I have ever tried, for I have gained nine pounds and feel like a new man. I felt better after my first bottle, my second gave me a fine appetite and I was soon sleeping like a log and was back at work again. I can eat anything I want now and all my troubles are over."

Tanlac is sold in Scotland Neck by E. T. Whitehead Drug Store; in Enfield by Harrison and Hall Drug Company; in Rosemary by The Rosemary Drug Store and in Littleton by Harrison Drug Store.
